Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for intersection improvements at a set of closely-spaced intersections of Rand Road (US 12), Kensington Road, and Illinois Route 83 in surface transportation reauthorization legislation.

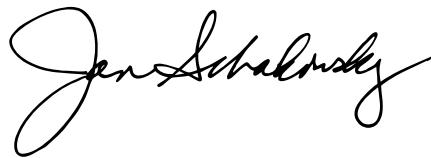

The project sponsor for this project is the Village of Mount Prospect and the project is located at the intersection of Rand Road, Kensington Road, and IL Route 83 in Mount Prospect, Illinois, 60056.

The funding is designated for implementing significant improvements to a location that has three closely-spaced intersections where Rand Road (US 12), Kensington Road, and Illinois Route 83 that has significant operational and safety problems on a daily basis.

The project is an appropriate use of taxpayer dollars and is anticipated to dramatically improve mobility, business access, safety, and non-motorized accommodations for residents in an area that sees many users each day.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jan Schakowsky
Member of Congress
